

POWERING BRIGHTER TOMORROW

Leading the way with innovation in premium solar inverters and LFP batteries.

350KW enPrimo

Model No- **ENP-GU350K-G2**

FEATURES

High Yield

- Up to 6 MPPTs with max. efficiency 99.05%
- 75 A per MPPT, compatible with 182&210mm modules
- 30 inputs, > 180% DC/AC ratio

Low Cost

- Q at night function, saving investment
- Support PLC communication, saving communication
- cables and construction cost
- PV string monitoring

enPrimo Residential Series Inverters

Model No - **ENP-GS(1-3)K-S6**

FEATURES

- Max. efficiency 97.1%
- String current up to 16A
- Super high frequency switching technology

- Wide voltage range and low startup voltage
- Integrated Export Power Manager (EPM)
- AFCI protection, proactively reduces fire risk

enPrimo Lithium Battery

Model No – ENP10051-WME-LV

FEATURES

Modular Design

Supports up to 15 units in parallel, scalable from 5 kWh to 75 kWh without the need for an external controller.

Wide Compatibility

Compatible with most hybrid and battery inverters for self-consumption, backup, and off-grid applications.

enPrimo Lithium Battery

Model No – ENP10051-RME-LV

FEATURES

Intelligence

Advanced pre-charge and cell balancing capability.

Compact & Flexible

Standard height design. Optional bracket kits for different installation scenarios.
